

Food Pantry

Neal Middle School is so happy to provide a food pantry to support our families in need. We send a bag of food home with our participating students once or twice a month.

We also offer groceries to ALL Neal families at our parent evenings so please come and enjoy our evening events all year and leave with some food (no need to be a part of the program for this perk).

If you are interested in joining our food pantry for a bag of food once or twice a month please fill out the form below and send it back to school.

Student Name: _____

Guardian Name: _____
