

College, Universities, or Institutions of Higher Learning Opt-Out Form

Our district receives funds from the federal government under the No Child Left Behind Act of 2001. These funds are used in a variety of ways to provide additional help to students in greatest academic need. The law also requires that districts receiving these funds must, upon request, provide to colleges, universities and institutions of higher learning, access to the names, addresses and telephone listings of secondary students.

It is important for you to know that a secondary school student or his/her parent or guardian may request that the student's name, address, and telephone number not be released by the district without prior written parental consent. If you would like to make such a request, please complete the following and return it to your child's school.

Parent or Guardian: If you DO NOT want your child's directory information released to colleges, universities and institutes of higher learning complete this section and return the entire form to your child's school.

Use a separate form for each child.
