

## Durham Public Schools

### Parent/Student One-to-One (1:1) Technology Agreement

Durham Public Schools provides students with access to technological resources. Students will use these resources as tools to promote academic achievement and provide opportunities to enhance their educational experience, in alignment with [Policy Code: 3225/4312/7320 Technology Responsible Use](#).

Each student and parent/guardian should read this *Parent/Student One-to-One Technology Agreement* carefully:

**The following items reiterate some of the most important points covered in the *DPS Technology Responsible Use Policy* and the *One-to-One (1:1) Student Device Handbook*.**

I/We understand that the device/hotspot and its accessory equipment (battery, power cord) are the property of Durham Public Schools.

I/We understand that the student, with the support of the parent/guardian, is responsible for the daily care and maintenance of the device(s) (this includes various accessories such as the battery, and power cord).

I/We understand that I/we must report all device damages, or the theft/loss of the device to school administration and DPS Information Technology ([ITSupport@dpsnc.net](mailto:ITSupport@dpsnc.net)) the next school day.

I/We understand and agree to abide by the rules and regulations of the *DPS Technology Responsible Use Policy* and guidelines outlined in the *One-to-One (1:1) Student Device Handbook*. Failure to abide by these policy/guidelines will result in disciplinary action.

By signing, I certify that I have read and agree to the device guidelines contained within this document and the current *DPS Technology Responsible Use Policy* and *One-to-One (1:1) Student Device Handbook*.
