***Mission: "Motivate Young People to Be Better Citizens"***

**1. Course Description- LEADERSHIP EDUCATION AND TRAINING (LET) I & II**

The Hillside High School JROTC Program prepares high school students for responsible leadership roles and making them aware of their rights, responsibilities, and privileges as American citizens. The program is a stimulus for promoting graduation from high school, and it provides instruction and rewarding opportunities that will benefit the student, community, and nation.

The mission of Leadership Education and Training (LET) is to motivate young people to be better citizens. To accomplish this purpose, the text discusses citizenship, leadership, and a number of other courses designed to help the cadets succeed in high school and after graduation. Cadets wear uniforms every day. The LET 1 Level consists of: Foundations of Army JROTC, Being a Leader, Leadership Skills, Know Yourself-Socrates, Learning to Learn, Study Skills, Communication Skills, and Conflict Resolution. Extracurricular activities include: Color Guard, Drill team, and Rifle team competition, and participation in local community events.

The second year of Leadership Education and Training is split into units including: Techniques of Communication, Leadership, Cadet Challenge, Leadership Lab, First Aid, Map Reading, History, Your American Citizenship, Career Opportunities, and Role of the U.S. Army. The wearing of the uniform and extracurricular activities are the same as for LET I.

**Learning Outcomes**

This program intends to teach cadets to:

2. Develop leadership skills
3. Incorporate principles and mental and physical wellness into behaviors and decisions
